

CMS SPARC Prime Contract

The U.S. Health and Human Services (HHS) Department's Centers for Medicare and Medicaid Services (CMS) has awarded MindFinders (MFI) as a Prime Contractor for the Strategic Partners Acquisition Readiness Contract (SPARC) contract. SPARC is a \$25 billion dollar, 10-year, Indefinite Delivery Indefinite Quantity (IDIQ) acquisition vehicle that Centers for Medicare and Medicaid Services and any Health and Human Services (HHS) Operating Divisions can use to procure information technology (IT) professional services and solutions.

About SPARC

Contract Name: Strategic Partners Acquisition Readiness Contract (CMS SPARC)

Contract Number: HHSM-500-2017-0039I

Period of Performance: 06/08/2017 to 06/07/2027

Role: Prime Contractor: Small Business

The purpose of the CMS SPARC Contract is to provide strategic, technical, and program management guidance and support services, to facilitate the modernization of CMS business processes and supporting systems. It is available to all components within CMS and HHS Operating Divisions to procure IT System development services, from end to end.

Services available through CMS SPARC:

- Initiation, Concept, and Planning Services
- Requirements Services
- Design Services
- Development Services
- Testing Services
- Security Control Assessment (SCA) Services
- Independent Verification and Validation (IV&V) Services
- Maintenance Services
- Support Services
- Data Request Services
- Help Desk Support Services

As a current CMS contractor since 2007, MindFinders has a successful history of providing mission critical services and technology to US Federal Government customers supporting healthcare, commerce and trade, financial services, and national security.
